Could some amount not be found for this school out of the provision made this year for the expansion of education in the C. & M. Station under the 5 years' programme, and which is not likely to be used in full because of the misunderstanding whereby a school that had already been built out of other funds, was shown against the 5 years' programme.

To

The Secretary to the Hon'ble the Resident

"Building grants to St. Patrick's School".

Sir,

I have the honour to enclose herewith an application from the Correspondent, St. Patrick's School and Orphanage, Bangalore for a grant towards the construction of a new building for the school.

2. It has become necessary to dismantle the older portion of the Orphanage buildings, which was condemned as unsafe by the Municipal Executive Engineer. The new building will provide larger and better accommodation for the boys and the Brothers who supervise the boys, and contain within its walls the Carpentry Workshop. This workshop is at present situated away from the school, thus increasing the difficulty of proper and effective supervision. Taking all the things into consideration I am of opinion that the new building is a necessity.

3. The plan and estimates were sent to the Executive Engineer for scrutiny. They have been revised under his instructions. I enclose a copy of the Executive Engineer's No. P. 396/1, dated 17-12-28, together with the plan and revised estimates.

4. The total cost amounts to Rs.27,814/- and I recommend a 2/3rds grant amounting to Rs.18,542-10-8, under rules 50 (a) and 57 of the Code of Regulations for European Schools, in the Civil and Military Station, Bangalore, on the ground that the

the institution is an Orphanage with no funds of its own
to supplement the grant. The Correspondent has agreed
to meet 1/3rd part of the expenditure from the Church
funds.

5. The expenditure which will be debited to "Account-II-
Education-B-Grants-in-Aid to non-Government Secondary
Schools-Building and furniture grants to Secondary Schools"
will be paid from the next year's grants or whenever funds
permit. The Correspondent, is agreeable to take the grant
in instalments.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,
Coorg & Bangalore.
